

Parent Involvement Plan

Bonita Springs Elementary School
March 14, 2016

Building the Capacity for Strong Parental Involvement

Content and Type of Activity	Correlation to Student Achievement
Open House	Parent and guardians will be provided with information regarding school policies, procedures, expectations, schedules, and community resources for back to school uniforms and supplies.
Annual Title I Meeting	Increase level of parent involvement to become active in the decisions made at the school. Provide information to parents regarding their legal rights and the efforts of the school and district to meet those requirements.
FSA Skills Workshops - literacy, math, science, social studies	Provide information to parents on how parents can help their children through research based strategies and tips
Curriculum Nights for each grade	Providing parents information regarding district approved standards-based curriculum expectations and action plans.

Building the Capacity for Strong Parental Involvement

Content and Type of Activity	Correlation to Student Achievement
SAC Meetings	Provide information and updates to SAC members and guests on the state of the school, as well as seek input regarding funds, initiatives, and programs.
Volunteer Orientation	Provide information to volunteers on expectations and how to best serve the needs of the stakeholders.
Read with My Child Workshops	Teach parents research-based strategies on how to effectively read with their child.
Parent/teacher conferences	Provide information and resources to parents so they can assist with helping their child succeed.

Reach Out To, Communicate With, and Work with Parents as Equal Partners

Content and Type of Activity	Correlation to Student Achievement
Staff training on the value of school volunteers	Increased parent involvement correlates to increased student achievement.
“Just for Parents” link on District website	Provide staff with district approved, research-based educational resources.
Professional Learning Communities: What Great Teachers Do	Provide staff with research-based practices to increase parent involvement and student achievement.
School Newsletter	Provides stakeholders with parent involvement research-based articles and curriculum articles and updates submitted by teachers and staff.
